RE: Letter of Support for Proposed Senior Living Project at 1571 E. Main Street, Santa Maria, known as the **Bellecrest Residences**

Dear Commissioner Seifert and Fellow Commissioners:

In anticipation of Wednesday's hearing regarding the Bellecrest Residences Project, please accept this letter of support on behalf of Marian Regional Medical Center.

Additionally, as a board member of the Orcutt Area Seniors in Service (OASIS), I understand the critical need for more affordable senior housing in the Santa Maria area and, as I understand the proposal, these homes are smaller in square feet providing an affordability by design concept.

Thank you for your consideration of this proposal which may provide housing for our active, working professionals over 55 years.

Sincerely,

Kathleen M. Sullivan, PhD, RN
