RE: Approval of Cross-Connection Control Plan, City of Santa Maria Utilities Department (CA4210011)

Dear Mr. Springer,

Thank you for the submission of the Cross-Connection Control Plan (CCCP) for the City of Santa Maria Utilities Department (City), submitted to the Division of Drinking Water (DDW) on January 7, 2026. Based on DDW's review of this CCCP, DDW recommends the City complete the initial hazard assessment in a shorter timeframe if possible. The City has demonstrated compliance with the CCCP requirements of the Cross-Connection Control Policy Handbook (CCCPH), effective July 1, 2024. DDW has approved this CCCP.

Per the CCCPH, the City is required to submit an updated CCCP to DDW at any time substantial revisions are made to the CCCP.

If you have any questions, please contact our office at (805) 566-1326.

Sincerely,
